

Motorhome Waste Disposal Point Register

On behalf of the motorhome sector and Scottish Government, CaMPA has offered to create a register/map of all Motorhome Waste Disposal Points that are accessible to the motorhoming community in Scotland. The map and register will be hosted on the CaMPA website, with the aim of helping visitors plan ahead to find appropriate disposal points. As many details as possible should be included on the form below. There is no charge to businesses or the public to access this information.

General address for the waste disposal point:
